25X1A

For your information, the insulators specified for the work under this contract sell for approximately 12¢ apiece, as opposed to those [REDACTED] apparently figured on previously.

25X1A

In order to simplify the contractual aspects of the work, it is desired to have this handled as a modification to the original contract. Unless the figure appears reasonable, however, it will be preferable to invite other bidders, in which case you may call upon the Public Buildings Service to be of assistance, and you may also wish to invite the antenna Contractor to figure the job. [REDACTED] figure is acceptable, the information will be incorporated into the regular modification forms here.

Very truly yours,

[REDACTED]
